RESPONSE TO FORMALITIES LETTER

OIPE Customer Service Center
Commissioner for Patents
Washington, DC 20231

Sir:

In response to the FORMALITIES LETTER dated 06/29/2001 (a copy of which is returned
herewith), please amend the application as follows:

In the Drawings:

Please replace the originally filed drawings with the enclosed true copies thereof, where said copies
are reduced in size to comply with the margin requirements set forth in the FORMALITIES LETTER.

Remarks

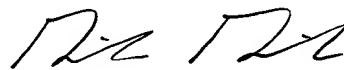

The enclosed substitute drawings are believed to be in compliance with the margin limitations set forth
in 37 C.F.R. §1.84. Approval and entry of these substitute drawings is respectfully requested.

Applicant is somewhat perplexed by the requirement for substitute drawings at this stage of prosecution. Applicant has made an affirmative request to opt out from pre-grant publication and the Filing Receipt which accompanied the FORMALITIES LETTER acknowledged the non-publication request. It is not understood, therefore, why a requirement for substitute drawings was made at this stage of prosecution. An explanation is respectfully requested for purposes of understanding how to prosecute future applications.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 06-1325 for any matter in connection with this response, including any fee for extension of time, which may be required.

Respectfully submitted,

Date: July 19, 2001
